## GREEN PLANTS

We strongly recommend green plants. Our plants are from base cuttings and grown under moderate heat and well rooted and should produce a good crop of tubers. They are sufficiently hardened to stand shipment to any part of the United States at any time after May 1st. Complete Green Plant List ready about March 25th. Send for a copy.

## ROOTED CUTTINGS

We will have rooted cuttings of practically all the varieties on this list besides many of the 1932 introductions. Shipment can be made any time after April 1st. Reasonable prices will prevail throughout our entire list. Get your copy early.

## DAHLIA SEED

Owing to the fact that we harvested more seed than we need for own planting, we will dispose of a limited amount. These seed should be as good as can be purchased anywhere as there were no poms or singles within a mile of our gardens.

Packet of 100 seeds, mixed varieties, \$3.00.

Packet of 100 seeds, selected from the most outstanding varieties, \$5.00.
